

COPY LETTER.

21st. August 1923.

E.S. Parker, Esq.,  
Little Cumbrae,  
Millport.

Dear Sir,

I received yesterday your letter of 19th. August, which I read to a Meeting of my Committee held here to-day.

It was unanimously agreed to select "Coila" as the Defender of the Seawanhaka Cup, and the Team for the Parker Cups was chosen as follows:- "Coila", "Caryl", "Polly", and "Acacia".

With regard to the engraving on the cups presented by you, I was instructed to suggest the following, if it meets with your approval:

Royal Northern Yacht Club Cup  
presented by  
Evelyn S. Parker, Esq.  
for  
Competition between Scottish and American  
Six-Metres Yachts.

Clyde 1923.

As the American Yachtsmen will be resident at Hunter's Quay, and the final Races for the Cups will be sailed there, I think it would be most convenient if you will give instructions to have them delivered to me addresses at R.C.Y.C. Clubhouse, Hunter's Quay.

Yours faithfully,

(Sgd) A. Herbert Aspin.

Secretary.
